TOPIC

FAMOUS PERSONS on a DESERT ISLAND

(REAL and FICTITIOUS, CONTEMPORARY and HISTORICAL)

*Various interesting things happen on a desert island. This year, all sorts of **famous persons** were invited to the desert island of the Osor archipelago, to OSCARfest.*

*The criteria for **famous persons** has been mixed for a long time. **Famous persons** include media-exploited persons from politics, from glamour, from subcultures, as well as those from the world of fairy tales and myths, from cartoons and video games, from film and theater, from books.*

*Who is more famous is ultimately unimportant, because both real and fictitious realities influence our perception of who is famous. Whether these **famous persons** will appear on the desert island alone or with happy company, whether they will just pose with their faces, or whether they will perform what they are known for, is up to you, dear cartoonists.*

Meeting them will certainly be interesting...
