Happy New Year 2013

Is this how it will be in 2013

أهكذا سيكون عام ٢٠١٣ ؟؟

Let me ... & Excuse me

Let me .. Beginning I would like to congratulate all the readers by the New Year 2013 .. Wishing to be a happy year .. And to remove the worries and pains that befell the Middle East in previous years .. And I have a question here!!.. Will 2013 a quiet year in the events or they will be fiercer than in previous years?.. As I am feeling of many that there is a questioning look and not optimistic about this year and will be followed by events as a result of last year .. But our hope that calm frivolous hands the fate of peoples .. So these people can live in peace and love and harmony .. Is that a lot?..I do not think ..

That those peoples banded together to discard differences and wars and extending the hands of peace to demolish the hands of war and destruction .. To enjoy the peoples of the world of calm and comfort that was sought by many .. We ask God Almighty to bless us in this .. As bestowed on all human beings with love and peace but forgotten by many.. And Excuse me
